

## THE *ULTIMATE* EMAG QUICKSTART

### 3DEXPERIENCE EMAG

- High-end “Electromagnetics Engineer” 3DEXPERIENCE role
- Powered by CST, with 16 cores of cloud compute

### 3DEXPERIENCE CAD CONNECTOR

- Seamlessly links desktop SOLIDWORKS to 3DEXPERIENCE CLOUD PDM
- Enables downstream access to native CAD

### 3DEXPERIENCE CLOUD PDM

- Secure, scalable PDM infrastructure-as-a-service
- Includes web app toolkit for team collaboration and IP management

### 3DEXPERIENCE EDU SPACE

- Access to the official 3DEXPERIENCE online learning platform
- Huge catalog of self-paced FEA video courses

## CATI EXCLUSIVES

## PLUS

### 3DEXPERIENCE IMPLEMENTATION

- CATI's 3DEXPERIENCE “Quick Start” implementation package
- Valuable groundwork for long-term success
- Hit the ground running with all your new tools

### 3DEXPERIENCE QUICKSTART LIVE

- Structured, self-paced online training with CATI's course advisement
- Up to 8 hours additional custom training to ensure successful model generation

ALL YOU NEED  
TO **SUCCEED**

Starting at

**\$2300** for 3 months
